LUCRATIVE HOME-BASED TRAVEL BUSINESS FOR LEADERS & HOBBYISTS

PROVIDENCE, R.I. (June 15, 2010) – Have you ever spent time organizing vacations or trips for your family reunion, a girls' getaway, school reunions, your church, or a golf weekend with friends?

If you are a proven leader and able to put together groups traveling together, there is a real opportunity for you to turn your leadership ability into a new revenue stream.

[Cruising Free!](#) is seeking proven leaders who have experience in organizing travel groups. There are certain nuances in the travel business -- in addition to earning commissions on travel -- where you can earn a complimentary vacation for yourself, family or friends.

Q: Who can join?

A: This opportunity is available for anyone interested, whether or not you have travel experience. The idea is for people who do not know the travel industry to still be able to earn commission while helping people book their travel reservations.

Q: How does it work?

A: As a [CruiseBrothers.com Associate Agent](#) you will earn at least 50% of the commission on each sale you make online. For example, the average commission on a cruise cabin is \$350. The Associate Agent will receive \$175 and CruiseBrothers will receive \$175, based on a 50% commission rate. If you are a high-volume producer, when you sign up ask please ask if you may qualify for a higher commission rate.

Q: Do I need my own website?

A: No, you do not need your own website to book a cruise for your clients. However, we will give you your own website for just \$99. [CruiseBrothers.com Associate Agents](#) without websites can book in the following ways.

- Through a CruiseBrothers.com online booking tool
- Calling a CruiseBrothers.com customer service representative for assistance
- Filling out an online pricing request form -- a CruiseBrothers.com customer service representative will then help you with your booking

Q: I live In New Mexico and you are in Providence RI?

A: Distance and geography do not affect sales or doing efficient business. In fact, most of our customers prefer to book over the phone and online. You could have your own personalized

website (just \$99) through CruiseBrothers.com and your customers can book their cruise online from virtually anywhere. Or, you can book cruises for your customers using our online booking tool. And remember, you are using 800 numbers for cruise lines and CruiseBrothers.com calls. In most cases, you can obtain pricing from the cruise lines via the Internet.

Q: Why work with CruiseBrothers.com? Why not do it myself?

A: CruiseBrothers.com is one of the most recognizable names in the cruise business. Some people think of the Blues Brothers, others tell us it's the sailor outfits, and still others have seen our television commercials where Steve gets hit with a bucket of water. One thing is for sure, our logo sells cruises.

Three (3) reasons to join [CruisingFree](#) and begin earning travel commissions include:

- Time and Effort -- Start-up fees, forms and costs could run thousands of dollars. The time to learn and develop the contacts would take you many months, even years.
- Ease of doing business -- As a member of one of the largest cruise vacation agencies in the country, CruiseBrothers.com Associates are respected by the cruise lines. You will do business faster, you will have access to the best deals and you will do a higher volume of sales. You have access to our extensive knowledge and you receive personal back-up. YOU are on a TEAM! And while you are cruising, we're taking care of your customers.
- No need for secretaries, receptionists, and the like -- we do it for you. Our award-winning customer support staff is second to none. We take care of the invoicing and documentation, all in the name of making you more profitable selling cruise travel.
